Reminders to Parents...

Bus Cancellations

If a bus is cancelled in the morning, that same bus will be cancelled in the Afternoon. Parents/ Guardians would have to arrange a drop off and pick up of their child that day. We apologize if this is an inconvenience.

Picking Up Children

Parents/ Guardians **need to notify** either the **office or the teacher** if they are planning to pick up their child from the school. This is for either after school pick ups (if normally a bus student) or picking up early (for bus & non-bus students). Even if your child has been notified, the school must be notified from the Parent/ Guardian as well.
