# memo

February 23, 2022

Dear Parents/Caregivers,

The Ministry of Education has provided each student with a box of five Artron rapid antigen at-home tests. Our school has received the shipment of tests for DLES learners, so we need to distribute them to families.

We will distribute the tests throughout the day at the office and we will set up a distribution table at the front of the school for parents/caregivers to collect the box(es) of tests after school. To help manage the flow of traffic and visitors, we ask that you drop by the school at one of dates listed below:

| For child(ren) whose                                                                                                                                                                                     | Pick up date and time at DLES                            |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------|
| <b><i>Surname begins with A – M</i></b><br>(e.g., Abietkoff, Matson, etc.)<br><br><i>Please call the school office if this date does not work for you and we will arrange an alternate date for you.</i> | <b>FRIDAY, FEB 25</b><br><br>• <b>8:00 am to 4:00 pm</b> |
| For child(ren) whose                                                                                                                                                                                     | Pick up date and time at DLES                            |
| <b><i>Surname begins with N – Z</i></b><br>(e.g., Nooski, Stadey, etc.)<br><br><i>Please call the school office if this date does not work for you and we will arrange an alternate date for you.</i>    | <b>MONDAY, FEB 28</b><br><br>• <b>8:00 am to 4:30 pm</b> |

If you would like to decline this offer of a box of rapid antigen tests, please contact the school office so we can cross your name off the list. Otherwise, we look forward to seeing you at one of the above dates.

Test instructions are included in the box. For more information, please go to [www.sd91.bc.ca](http://www.sd91.bc.ca) and click on COVID-19 Information and Resources.

Respectfully,

Mrs. Kelemen  
Principal
